LTL Shipping Doesn't Have to Be Complex

Rate tables, freight classifications, discounts, accessorials fees, minimums ... understanding your charges is hard enough – let alone knowing whether you received a good deal or not. Well, the good news is you have an experienced Logistics Plus team that is ready to help you. Rate negotiations, pricing agreements, freight bill auditing ... we arrange for it all.

With Logistics Plus, quoting LTL freight shipments is quick, easy and free. From 150 to 10,000 pounds, we'll give you a list of competitive LTL rates from the top LTL freight carriers in the industry. We can also accommodate services beyond typical dock-to-dock transportation, including lift gates, notification options, inside pickup and delivery, guaranteed delivery, and volume LTL shipping services. With our complimentary eShipPlus™ transportation management system (TMS), you can shop multiple carriers, schedule pickups, view documents, and manage all your LTL and truckload freight shipments using one, easy-to-use online system.

Our LTL Services Are Powered by eShipPlus™

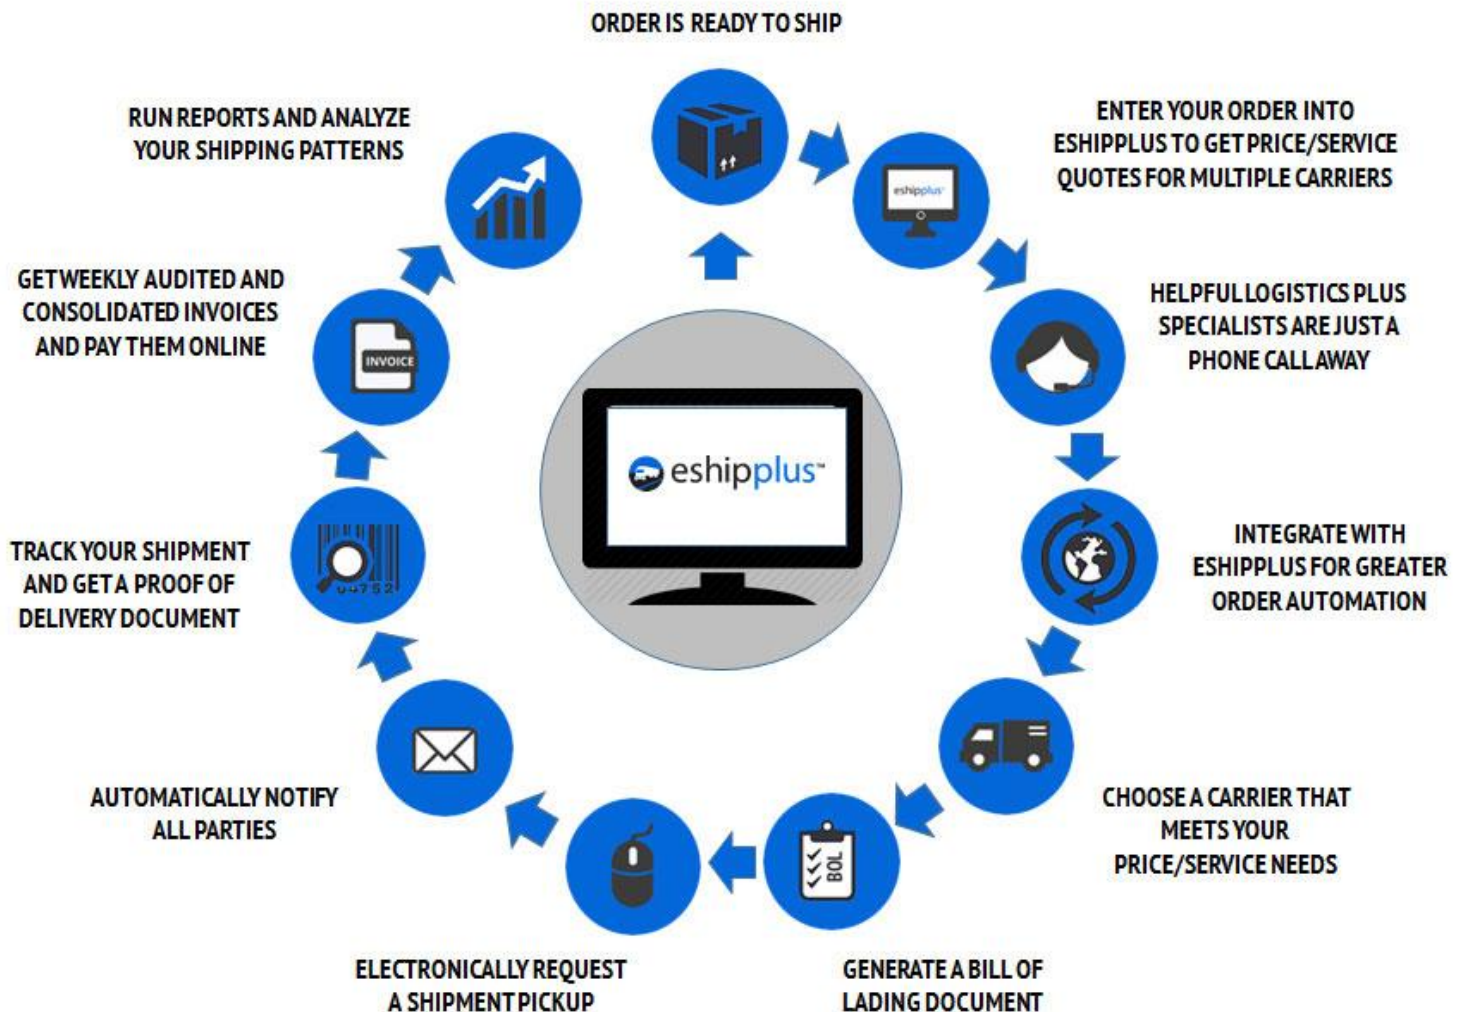

eShipPlus TMS

Use the Logistics Plus® eShipPlus™ transportation management system (TMS) to quote LTL shipments, create bills of lading, schedule shipments, track LTL and truckload moves, create reports, and more.

eShipPlus™ Is A Full-Service Transportation Management System (TMS)

The Logistics Plus eShipPlus system was developed by and for transportation professionals. In addition to getting access to a complimentary suite of powerful online tools, you will also enjoy 24/7/365 back-office operational support, customer service, freight bill auditing, and invoice consolidation services from our talented and caring North American Division (NAD) team of logistics specialists. Let us show you our *passion for excellence!*
