- Live 24/7/365 logistics specialist support when you need it
- No detention charges, extra fees for weekends, and after-hours pickups
- Reduce the stress of importing or exporting trade show materials with Logistics Plus Custom Broker Solutions
- Access to the Logistics Plus eShipPlus™ online TMS for online freight quotes with the top exhibit freight carriers in the industry
- Prepare bills of lading, print labels and schedule shipments
- Track shipments and view reports
- Receive audited and consolidated invoices
- Pay invoices online ... and more!

Exhibit Freight Has To Be There On-Time

When you work with Logistics Plus for your exhibit transportation needs, you can rest assured that the top, most reliable exhibit carriers in the industry are moving your freight. Additionally, you'll receive live logistics specialist support from pickup at origin to delivery at the advanced warehouse or trade show floor.

You can rely on our expert knowledge of tradeshows to help you ship smarter and navigate the complex world of tradeshaw shipping. Our dedicated logistics specialists will help you with all your tradeshaw shipping needs — getting quotes, helpful advice to fill out the proper paperwork, scheduling shipments into and out of your show or conference, tracking your shipment, answering invoice questions, and resolving carrier issues.

- Tradeshaw booth and marketing displays; small and large shipments; domestic and international markets
- Assistance with paperwork and shipping documents
- Customs brokerage and compliance services to ensure your international exhibit shipments move seamlessly from origin to destination with minimal delay
- Shipment tracking from pickup to delivery
- Guaranteed on-time delivery options

Your Success is Our Success!

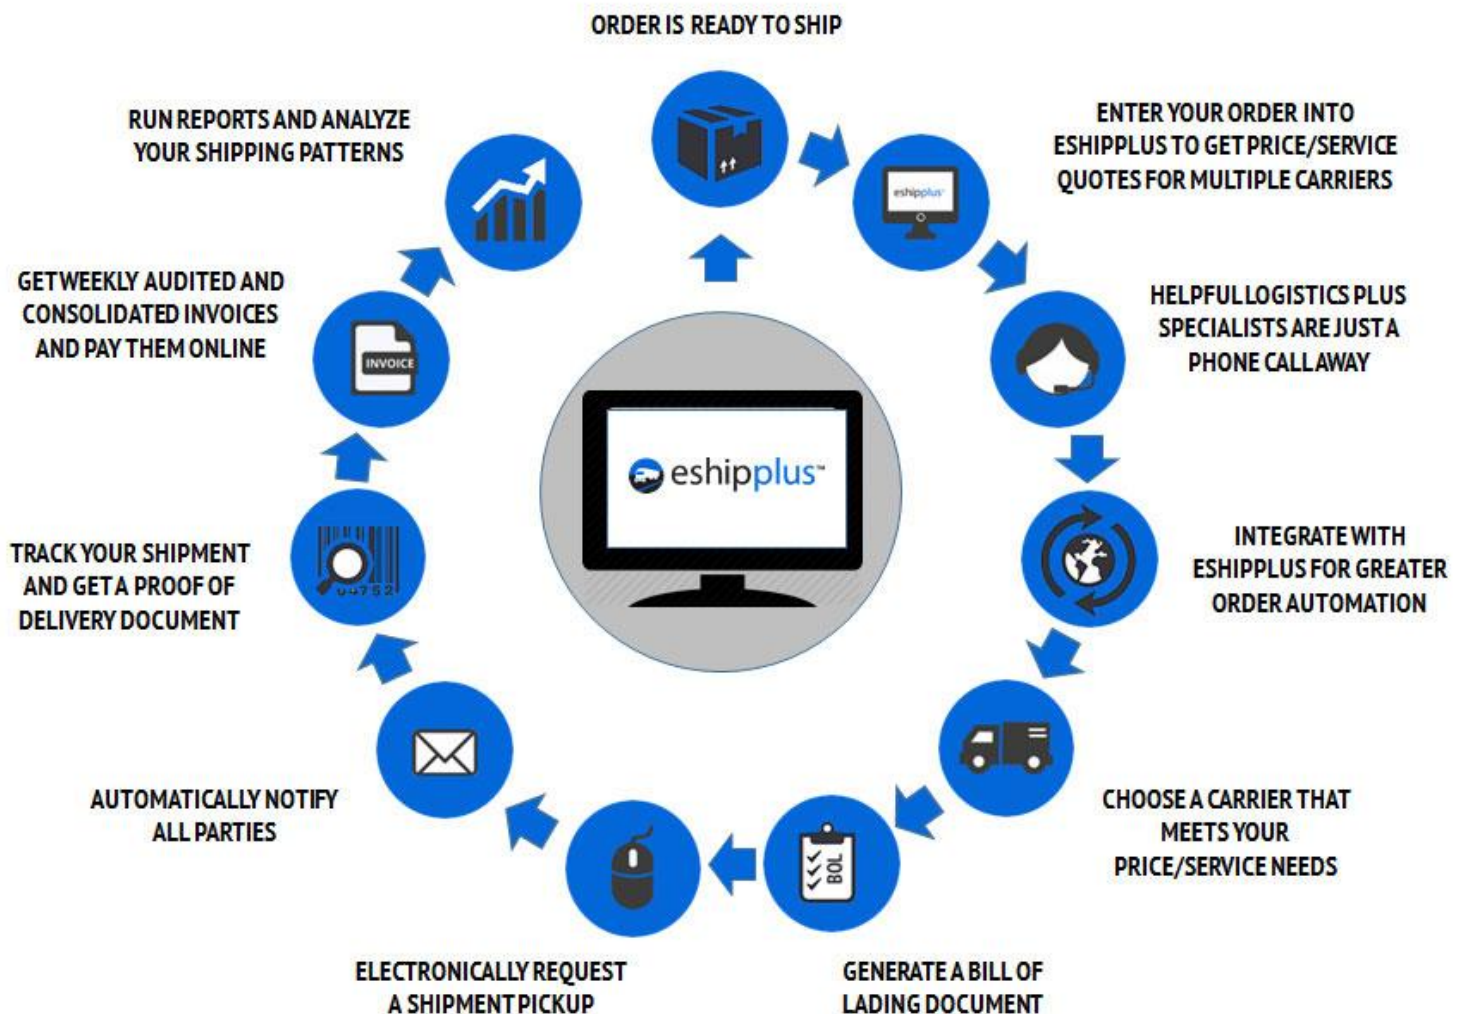

Exhibit Freight Management

Use the Logistics Plus® eShipPlus™ transportation management system (TMS) to quote freight shipments, create bills of lading, schedule shipments, track LTL and truckload moves, create reports, and more.

eShipPlus™ Is A Full-Service Transportation Management System (TMS)

The Logistics Plus eShipPlus system was developed by and for transportation professionals. In addition to getting access to a complimentary suite of powerful online tools, you will also enjoy 24/7/365 back-office operational support, customer service, freight bill auditing, and invoice consolidation services from our talented and caring North American Division (NAD) team of logistics specialists. Let us show you our *passion for excellence!*
