

# Warehousing Locations

Logistics Plus® provides warehousing that's just the right size, in just the right place, for just the right length of time. We can also help with order management and fulfillment.

## Logistics Plus has warehousing facilities located across North America!

Additional warehousing space can be acquired virtually anywhere in the world. In addition to our primary commercial warehouses, we also manage dozens of other warehouse locations across North America. Our versatile warehousing management system (WMS) and oversight can be easily implemented, allowing us to find you the right location, at the right time, and at the right price.

**Shown on the map are warehouses directly operated by Logistics Plus.  
We have additional partner warehouses located across the country and around the world!**
