

# Quality Mission & Policy

The Quality Policy of Logistics Plus® is to provide our customers with third-party logistics services that exceeds their expectations!

## Our Mission:

- + The staff and management of Logistics Plus are committed to providing quality services that will satisfy customer-defined demands and expectations.

## Our Policy:

- + The Quality Policy of Logistics Plus Inc. is to provide our customers with third-party logistics services, including freight brokerage, freight forwarding, warehousing, fulfillment, business intelligence, technology, compliance, total logistics and supply chain management in a way that exceeds their expectations for the services provided.
- + The Officers, Management and Staff are responsible for ensuring Quality Control through the adherence to the Quality Management System Procedures and by seeking improvement by constant review
- + With a strong *passion for excellence*, our employees put the “**plus**” in logistics by doing the big things properly, and the countless little things, that together ensure complete customer satisfaction and success.
