

Warehousing & Fulfillment

Logistics Plus® provides warehousing that's just the right size, in just the right place, for just the right length of time. We can also help with order management and fulfillment.

Logistics Plus Solutions

Transport Topics magazine, has named Logistics Plus a top warehousing firm each of the past three years.

- Inbound and outbound process with back office support
- Receiving, storage, and packaging areas
- Heavy-lift and industrial-sized cargo
- Fulfillment By Amazon (FBA) and direct-to-customer retail solutions
- Full-service facilities located in Chicago, IL; Chino, CA; Dallas, TX; Dayton, NJ; Erie, PA; Lexington, NC; and Olean, NY
- Access to additional facilities around the world

Customer Benefits

- Secure and clean warehouse environments
- Expert care in handling and storing of products
- LIFO and/or FIFO inventory management systems
- Daily deliveries that complement 'just-in-time' requirements, and daily communication
- A "buffer zone" between suppliers and customers; saving you time and reducing errors
- Ability to reduce on-hand inventory allowing for better utilization of factory floor space
- Consolidation point for suppliers making multi-plant shipments
- Significant reduction or elimination of costly rush shipments to customers

North American Warehousing & Distribution

Logistics Plus dedicated warehouse solutions are just the right size, in just the right place, for just the right length of time. You don't pay for space you don't need; we'll find you the perfect fit! Need to store your heavy-lift, industrial-sized cargo? No problem – we've got it covered. Need to warehouse your retail inventory for Fulfillment By Amazon (FBA) or direct-to-customer fulfillment? As a member of the Amazon® Solutions Provider Network – we've got that covered too. Need a comprehensive order and inventory management solution with pick, pack, and ship services? Our Logistics Plus Fulfillment Solutions division can provide everything you need.

We have warehouse facilities strategically located for West Coast, Southwest, Southeast and Northeast distributions. Additionally, we have the leverage and expertise to source additional warehousing space wherever else you need it – even around the world! Customers get full visibility to their inventory through the Logistics Plus eWorldPlus™ warehouse management systems (WMS) powered by CargoWise One®. Our LP Fulfillment software provides an all-in-one solution for instant, real-time order processing, inventory reporting and shipment tracking.

North American Warehousing Solutions
