COVERING YOUR SUPPLY CHAIN

We are **LARGE** and **COMPREHENSIVE** enough to satisfy any link in your North American or Global supply chain ...

But we are still **FLAT**, **NIMBLE** and **RESPONSIVE** to your specific logistics challenges.

PROJECT LOGISTICS SOLUTIONS

PROJECT CARGO

We handle cargo and freight that the “other guys” can’t or won’t. Whether it’s heavy-lift or over-dimensional, we will manage your projects from start to finish. Our team starts by customizing a logistics plan for your unique project needs.

FREIGHT FORWARDING

We are a full-service international air and ocean freight forwarder. We have long-standing relationships with industry leading, reliable carriers which allow us to obtain competitive rates for our customers.

WORLD-CLASS TECHNOLOGY

Logistics Plus world-class technology is built on industry-standard platforms with customized portals and unique functionality designed to provide our clients with valuable tools, information and dashboards.
