

# Erie, PA Warehousing

The Logistics Plus® Erie warehouses provide warehousing and distribution solutions with 1-day access to 60% of the U.S. population!

## Logistics Plus Solutions

*Transport Topics* magazine has named Logistics Plus a top warehousing firm each of the past three years.

- Inbound and outbound process with back office support
- Receiving, storage, and packaging areas
- Heavy-lift and industrial-sized cargo
- 3PL and 4PL supply chain solutions

## Customer Benefits

- 1-day access to 60% of the U.S. population
- Low-cost, low-risk area of northwestern Pennsylvania
- Located off Interstate 90 near Buffalo, Cleveland, and Pittsburgh
- Industrial forklifts with heavy-lift capabilities
- Special expertise for the solar and furniture industries, but suitable for many types of products
- Secure and clean warehouse environments
- LIFO and/or FIFO inventory management systems
- Daily deliveries that complement 'just-in-time' requirements
- Ability to reduce on-hand inventory allowing for better utilization of factory floor space
- Consolidation point for suppliers making multi-plant shipments
- Significant reduction or elimination of costly rush shipments to customers

## Northeast/Midwest Warehousing & Distribution

The Logistics Plus Erie, PA warehouses are in the perfect location to provide affordable, fast storage and distribution. Our Erie warehouses are located off a major interstate highway and provide next-day access to 60% of the population in the United States. Erie is located in a low-cost, low-risk (very few COVID cases) area of northwestern Pennsylvania. Don't pay for space you don't need; we'll find you the perfect fit!

Our Erie warehouses have the following features:

- Over 210,000 square feet of storage space across two commercial warehousing facilities
- Located just off a major Interstate highway in-between Buffalo, Cleveland, and Pittsburgh
- Secure facilities with monitored cameras and alarms
- Multiple covered and uncovered loading/unloading docks provide quick and easy access
- Bulk and racked storage options
- Dedicated warehousing and distribution specialists
- Inventory control with a comprehensive warehouse management system (WMS)
- Logistics services for all your transportation needs
