

THE STRATEGIC PARTNERSHIP OF

THE ODIN MARINE GROUP

"One Global Network, One Trusted Partner"

The Odin Marine Group

The Odin Marine Group, an international ship broker headquartered in Southport, CT, specializing in all liquid markets including storage and bulk shipments of chemicals and specialized products, clean and crude petroleum products, alcohols, and vegetable oils.

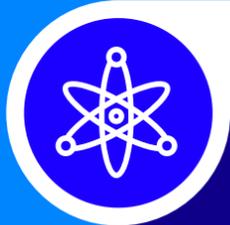

International Shipbrokers

Its international team of shipbrokers, operators, and analytic consultants has helped establish it as one of the world's most diverse ship brokering firms. They have a collaborative global network of resources in North America, Europe, the Middle East, and Asia, strategically placed to serve the shipping industry worldwide.

Dennis Melgert

Dennis Melgert, Vice President of Logistics Plus Chemicals Division which officially began operations in late 2021, will spearhead this strategic partnership.

Richard Appell

"Together we will provide new supply chain solutions to our customers with a mutual passion for excellence, greater flexibility, and access to all modalities," said Richard Appell, CEO and Managing Director of Odin Marine Group.

Logistics Plus

Logistics Plus has extensive experience in every aspect of safely preparing, transporting, and insuring HAZMAT shipments and complies with 49 CFR, IMDG, IATA, DOL, OSHA, and ICAO regulations.
