

# MANUFACTURING SOLUTIONS

## OUR SERVICES

- Supplier & vendor scheduled pick-ups (NEVER pay delivered RATES!)
- LTL/Truckload/Expedited shipping to end-users. We call the customer/receiver to schedule deliveries and pickups.
- Warehousing & distribution to combat long lead times or construction delays.
- International turnkey solutions including door-to-door management, customs, and compliance for inbound and outbound freight.
- Company specific Business Intelligence (BI) solutions.
- Centralized invoicing from one source.
