Company Overview

Logistics Plus, Inc. (LP) is a 21st Century Logistics Company™ and a global leader in transportation, warehousing, fulfillment, logistics, business intelligence, technology, and supply chain solutions.

Logistics Plus was founded over 27 years ago in Erie, PA. Today, LP has annual global sales of over \$500M and over 1,200 employees in 50+ countries worldwide. Logistics Plus is recognized as one of the fastest-growing privately-owned logistics companies, a top 3PL provider, a top 100 logistics company, a top freight brokerage and warehousing provider, and a great place to work. With our trademark Passion for Excellence™, we put the plus in logistics by doing the big things properly plus the countless little things that ensure complete customer satisfaction and success.

Logistics Plus offers a breadth of reliable and affordable services. Working as your 3PL, 3.5PL™, or 4PL partner, Logistics Plus is the solutions company known for saying YES to unique supply chain challenges by handling projects from start to finish and doing what other logistics companies cannot or will not do – and you won't be waiting on us. We have lean operations that are agile and responsive to customers' needs, yet we are large enough to have a network of resources that span the entire supply chain.

Project Logistics

You can trust Logistics Plus to handle your global cargo projects. We handle freight that the “the other guys” can’t or won’t, and we manage your project from start-to-finish.

Your logistics plan will be customized for your unique project needs—from a comprehensive, pre-shipment evaluation of potential risks, costs and delivery schedules, to route and port surveys, coordination of proper packaging of components, required documentation handling, and transportation mode analysis. Every shipment is coordinated with tailored plans, and even the most demanding projects are executed with care and precision. However challenging the geography, however complex the lift, our project cargo experts work closely with engineers and contractors to ensure that every project is planned, delivered and completed on-time and to exact specifications.

The background image is a monochromatic blue-toned photograph of a large cargo ship docked at a port. In the foreground, a worker wearing a white hard hat and a high-visibility yellow safety vest stands with their back to the camera, looking towards the ship. The vest has the 'LogISTICS PLUS' logo and the website 'www.logisticplus.net' printed on it. The ship's complex superstructure, including multiple decks and windows, is visible against a dark sky. The water in the foreground reflects the ship and the worker.
