

Furniture, Fixtures & Equipment

Logistics Plus® is a highly experienced industry leader in delivering FF&E logistics and supply chain solutions.

Logistics Plus FF&E Services

Logistics Plus serves clients seeking a one stop global solution for their FF&E projects in the hospitality, retail, co-working, co-living, healthcare, education, and real estate development industries.

- 🌐 Procurement and Order Management
- 🌐 Global Transportation & Freight Management
- 🌐 Warehousing, Distribution, and Inventory Management
- 🌐 Project Planning and Solutions Management
- 🌐 Delivery, Assembly, and Installation
- 🌐 Robust Supply Chain Software & Client Portal Access

Why Choose Logistics Plus?

We provide outstanding value-added FF&E logistics and supply chain services through cost-effective operational planning, efficient execution, unparalleled visibility, and exceptional project management.

Our teams listen, then design customized and comprehensive supply chain solutions for our clients. Our world-renowned technology suite and customer portal can be operated independently, or can be seamlessly integrated with virtually any ERP, providing data and analytics that drive efficiency and savings.

- 🌐 **Experience:** Over 25 years of growth and delivering for our customers, both large and small, in every facet of logistics.
- 🌐 **Expertise:** Dedicated project planners, managers, and logistics specialists who understand how things work “on the ground”.
- 🌐 **Reach:** Access to our established worldwide network of freight carriers, installation service providers, and flexible warehouse locations.
- 🌐 **“Passion For Excellence”** We care and find a way to “yes” in everything we do.

LP Delivers FF&E Solutions

Components of an FF&E Solution

From P.O. to Install, We Do It All™

Project Planning & Management

Dedicated project managers experienced in new openings, renovations, relocations, installations, retail rollouts, final mile and fixtures replacement.

Purchase Order Management

Sourcing, procurement, PO management, inbound routing, order and SKU level tracking and visibility.

Customer Service

Client specific logistics specialists, project management, online tracking tools, and 24/7/365 service availability.

Transportation Management

Import and export, international air and ocean freight, domestic full truckload and less-than-truckload, intermodal and rail.

Customs & Compliance

In-house customs brokerage and regulatory compliance expertise, along with remote filing at all US ports to avoid penalties, fines, and storage charges.

Value-Added Warehousing

Worldwide, on demand, customized, distribution and value added services such as: inventory management, consolidations, and kitting.

FF&E Installation

Items delivered, assembled, and installed per clients instructions, haul-away and post move services.

Technology Solutions

Real-time tracking portals, mobile applications, back office integration, dashboards, data analytics and business intelligence.
