

# TRANSPORTATION & FREIGHT MANAGEMENT

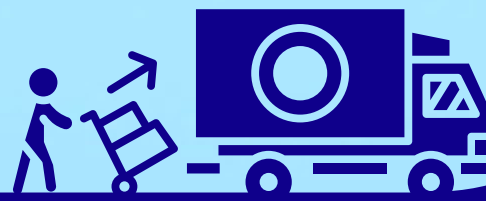

## LTL Freight

LTL freight shipping doesn't need to be complex. Between rate tables, freight classifications, discounts, accessorial, and minimums, understanding what you are being charged for is half the battle. Logistics Plus has an experienced North American Division (NAD) team that is ready to help you.

## Truckload

With Logistics Plus, finding and quoting affordable truckload capacity is quick, easy, and free. Our experienced truckload brokerage specialists will coordinate your shipment every step of the way from start to finish.

## Expedited Freight

The Logistics Plus network allows you to affordably tap the industry's premier time-critical carriers and expeditors. Anytime and anywhere we'll find the right expedited freight solution to fit your need, including both ground and air options.

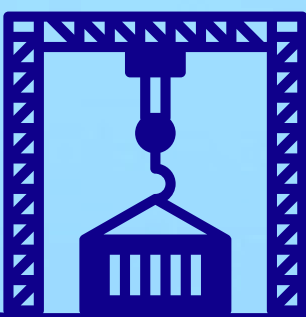

## Cross-Border Freight

Logistics Plus will help you prepare your cross-border shipping documents, clear customs, and resolve any issues before they cause delays. Additionally, our bi-lingual border management staff works with carriers and international agencies to maintain C-TPAT, PIP, and CSA security standards.

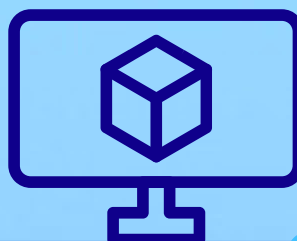

## Drayage & Port Services

Logistics Plus can help you reduce transit time and total cost with our capabilities for transloading and sorting by destination – with final delivery using our own trucks or our comprehensive LTL and truckload solutions. We can also support your storage and warehousing needs across North America.

## eShipPlus™ TMS

Use the Logistics Plus eShipPlus™ transportation management system (TMS) to quote shipments, create bills of lading, schedule shipments, track all of your freight moves, create reports, and more – including MyFreightTrends™ BI dashboards!
