

LOGISTICS+[®]

PASSION FOR EXCELLENCE

The air export and import teams within Logistics Plus International Division (LPI) are experts at getting your freight in the air and to its destination. Standard or expedited, oversized or overweight, we know the ins and outs of booking freight on aircraft in the most affordable and efficient way.

Logistics Plus offers dedicated warehousing and distribution services that are just the right size, in just the right place, for just the right length of time. You don't pay for space you don't need; we'll find you the perfect fit!

Logistics Plus Fulfillment Solutions (LP Fulfillment) is committed to providing the best fulfillment services worldwide. Our values reflect our belief in the highest level of service and technology. A focus on delivering the highest level of savings and efficiency is why our clients are so easily retained.

The Logistics Plus North American Division (NAD) team is experienced and ready to help you find the right truck to fit your needs. Our experienced logistics specialists will find affordable options and then coordinate your shipment every step of the way from start to finish, including parcels, LTL, truckloads, and expedites.

As a full-service international ocean freight forwarder with many offices worldwide, Logistics Plus has years of experience working with our ocean vessel partners to make sure you meet your ocean freight deadlines.

With Logistics Plus 3.5PL and 4PL supply chain solutions, we can identify greater opportunities for savings in both money and time. And we do it all without increasing your staffing. Let us take on your transportation headaches while you focus on what you do best: producing and selling quality products!
