

# CYBER SCHOOLS & EDUCATION SOLUTIONS

## OUR SERVICES

- End to end supply chain solutions including procurement and delivery
- Warehousing and grade specific kitting
- Assembly and delivery of kits directly to students or teachers
- Up front demand and supply planning to avoid delays in delivery
- Over 20,000 Welcome / STEM kits produced last year for various Pennsylvania cyber schools

It costs absolutely nothing for an analysis or quote. We have no doubt with our local history and resources, we would be a great fit.
