Logistics Plus Makes Inc. 5000 Annual List of Fastest-Growing Private Companies Once Again

Logistics Plus appears on the list for a fifth time in the past six years, and the eighth time overall.

ERIE, PA (August 17, 2023) – Logistics Plus, Inc. (LP), a leading worldwide provider of transportation, logistics, and supply chain solutions, is proud to announce it has been included on *Inc.* magazine’s [2023 Inc. 5000 list](#), an exclusive ranking of the fastest-growing private companies in America. LP made the list with an impressive three-year sales growth rate over 80% from 2019 to 2022 for its U.S.-based operations. It is the fifth time in the past six years and the eighth time overall since 2007 that Logistics Plus has made the list. LP was one of only two companies based in Erie, Pennsylvania, to make the 2023 list.

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year’s top 500 companies, the average median three-year revenue growth rate ticked up to an astonishing 2,238 percent. In all, this year’s Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

“This month, we are celebrating our [27th anniversary](#),” said [Jim Berlin](#), Founder and CEO of Logistics Plus. “Growth has always been our only real strategy. With continued growth and success, we can offer employees many opportunities to advance and try new things, and that’s pretty cool.”
