Logistics Plus serves clients seeking a one stop global solution for their FF&E projects in the hospitality, retail, co-working, co-living, healthcare, education, and real estate development industries.

- Project Planning and Solutions Management
- Robust Tracking/Reporting Tools with Portal Access
- Global Transportation and Freight Management
- In-House Customs Broker and Compliance Expertise
- Warehousing, Distribution, and Inventory Management
- Delivery, Assembly, and Installation
- World Class 24/7/365 Customer Service

## Why Choose Logistics Plus?

We provide outstanding value-added FF&E logistics and supply chain services through cost-effective operational planning, efficient execution, unparalleled visibility, and exceptional project management.

Our teams listen, then design customized and comprehensive supply chain solutions for our clients. Our world-renowned technology suite and customer portal can be operated independently, or can be seamlessly integrated with virtually any ERP, providing data and analytics that drive efficiency and savings.

- **Experience:** Over 27 years of growth and success for our customers, both large and small, in every facet of logistics.
- **Expertise:** Dedicated project planners, managers, and logistics specialists who understand how things work “on the ground.”
- **Reach:** Access to our established worldwide network of freight carriers, installation service providers, and flexible warehouse locations.
- **Reliability:** Millions of FF&E/OS&E units installed over the past decade with a claim-free ratio of 99.5%.
- **Passion For Excellence™** We care and find a way to “yes” in everything we do.
