

Supply Chain Success Story!

Supporting IT Infrastructure Logistics for the World's Most Successful Hedge Fund Banker

THE STORY

When the most successful hedge fund banker in the world needed to supply its global data centers with IT infrastructure and equipment across 50+ countries, they called Logistics Plus for its combination of global warehousing, trade compliance, inventory management, importer of record (IOR) capabilities, and white glove installation solutions.

THE HIGHLIGHTS

- Logistics Plus receives contract to warehouse, transport, and install servers in global data centers around the world.
- Logistics Plus takes on all responsibility as the Importer of Record (IOR) when servers are required to be transported, delivered, and installed in foreign countries where the client has no legal presence.
- Logistics Plus ensures document accuracy, currency exchange, and that all permits and licenses are acquired in the foreign country. Logistics Plus also assists buyers with GST reclamation where applicable.
- Logistics Plus manages vendor purchase orders (PO's) to ensure timely deliveries into Logistics Plus warehouse locations.
- Logistics Plus utilizes its final mile/white glove network to provide final installation of servers at data centers, and if needed, the return of any old equipment.

Creative Solutions for Unique Challenges.
