

Supply Chain Success Story!

Delivering Gas Pipes to Ukraine Despite Air Raids and Work Stoppages

THE STORY

As part of an ongoing project for a leading oil and gas supply company, the Logistics Plus teams in China, Turkey, USA, and Ukraine coordinated a critical shipment of gas pipes from China to Ukraine despite ongoing air raids and work stoppages.

THE HIGHLIGHTS

- Working around the clock, the Logistics Plus teams in China, Turkey, USA, and Ukraine organized the transshipment and delivery of gas pipes to Ukraine.
- [Logistics Plus Ukraine](#) organized the transportation of pipes from the manufacturer's warehouse in China to the recipient's warehouse in Ukraine.
- In parallel with the process of unloading the pipes, specially equipped delivery vehicles were organized for the safe and effective transportation of the cargo.
- Despite dangerous conditions, with air raids and work stoppages, the gas pipes were unloaded, transported, and arrived at their destination safely and on time for use in the Ukrainian gas industry.
