

Supply Chain Success Story!

Cutting Through Export Challenges with Precision

THE STORY

When a leading industrial printed circuit board (PCB) cutting tool manufacturer—with over 20 years of experience—needed a reliable logistics partner to overcome its export challenges, it turned to [Logistics Plus Taiwan](#). The client regularly ships heavyweight airfreight from Taiwan to major U.S. gateways (LAX, SFO, MSP) with a total of up to 30 tons per month.

Through strong internal collaboration and by leveraging trusted relationships with local vendors, Logistics Plus Taiwan secured competitive rates and excellent airline transit times. This strategic execution helped LP Taiwan successfully manage the client's second large-volume shipment to San Francisco, outperforming competitors and establishing a foundation for a long-term partnership.

THE HIGHLIGHTS

- **Heavyweight Air Export Expertise:** LP Taiwan expertly managed heavyweight airfreight shipments to key U.S. destinations, optimizing routing and transit times.
- **Vendor Collaboration:** By securing strong relationships with local vendors and carriers, LP Taiwan ensured competitive pricing and dependable service.
- **Seamless Execution:** Successfully coordinated the client's second major shipment to SFO, showcasing operational reliability and responsiveness.
- **Market Positioning:** This success strengthens Logistics Plus Taiwan's reputation as a trusted and dependable forwarding service provider for high-volume exporters in the region.
