Logistics Plus and Kingston Wharves Announce Partnership to Support FF&E Hospitality Projects in Jamaica

The combined expertise of both companies will ensure these projects are executed seamlessly, efficiently, and on time.

ERIE, PA (October 2, 2025) – Logistics Plus, Inc. (LP), a global leader in transportation, logistics, and unique supply chain solutions, today announced a new partnership with Kingston Wharves Limited (KWL) to support furniture, fixtures, and equipment (FF&E) for hospitality projects throughout Jamaica.

Jamaica continues to encourage and promote new hotel construction and renovations to strengthen its tourism industry. Logistics Plus, Inc. and Kingston Wharves Limited are spearheading efforts to support diverse hospitality properties, helping to elevate Jamaica's position as a world-class business and tourism destination.

Through this new collaboration, Logistics Plus and Kingston Wharves will combine their expertise to ensure that owners, investors, and their representatives are assured that these projects are executed seamlessly, efficiently, and on time.

Logistics Plus will leverage its global project experience — including successful [FF&E logistics](#) programs in the United States, Europe, and Hawaii - to coordinate supplier sourcing, international transportation, and the collection of items from global manufacturers. Kingston Wharves Limited, with extensive experience in port-centric logistics, will provide vital in-country services including warehousing, inventory management, and order fulfillment. Kingston Wharves Limited is now a recognized agent for Logistics Plus in Jamaica, further strengthening the company's growing [global network](#).

"This partnership brings together world-class expertise at a pivotal time for Jamaica's growing hospitality sector," said [Yuriy Ostapyyak](#), COO of Logistics Plus. "By combining our global logistics capabilities with the local knowledge and trusted services of Kingston Wharves, hospitality asset owners and developers will have a single, reliable solution to manage complex FF&E projects from start to finish."

According to KWL CEO [Mark Williams](#): "Kingston Wharves has closely observed the continued expansion of tourism along Jamaica's North Coast, particularly in hotel development, and recognizes the potential of these projects to further stimulate economic growth for the country. This joint venture with Logistics Plus—an internationally recognized and world-class specialist in FF&E for the hospitality industry—
