

REBUILD JAMAICA LOGISTICS – FREQUENTLY ASKED QUESTIONS

Q1. WHAT IS REBUILD JAMAICA LOGISTICS?

Rebuild Jamaica Logistics is a coordinated initiative between Kingston Wharves Limited (KWL) and Logistics Plus (LP) to support the transportation and logistics needs associated with Jamaica's rebuilding efforts following Hurricane Melissa.

Q2. WHO CAN PARTICIPATE?

Any business, organization, or supplier looking to ship materials, equipment, or goods into Jamaica to assist with relief or reconstruction efforts—particularly those supporting tourism, infrastructure, or housing recovery.

Q3. WHAT SERVICES DOES KINGSTON WHARVES PROVIDE?

KWL handles in-country logistics, including port operations, customs brokerage, warehousing, inland transportation, and final-mile delivery to construction sites, hotels, and communities across Jamaica.

Q4. WHAT SERVICES DOES LOGISTICS PLUS PROVIDE?

LP manages freight consolidation, sourcing, export logistics, and global forwarding from the United States and other markets worldwide. From its Miami warehouse, it is currently operating as a consolidation hub for shipments bound for Jamaica. LP can also coordinate project cargo, oversized freight, time-critical, and FF&E (furniture, fixtures, and equipment) shipments.

Q5. WHAT TYPES OF SHIPMENTS CAN YOU HANDLE?

- General cargo and relief goods
- Building materials and construction equipment
- Furniture, fixtures, and equipment (FF&E) for hotels and resorts
- Infrastructure and energy project cargo
- Consumer goods and essential supplies

Q6. HOW DO I GET STARTED?

Contact us at rebuildjamaica@logisticsplus.com or visit logisticsplus.com/rebuild-jamaica to begin coordination. Our teams in the U.S. and Jamaica will provide step-by-step guidance.

Q7. CAN KWL/LP ASSIST WITH CUSTOMS AND DOCUMENTATION?

Yes. KWL's licensed brokerage team manages all customs formalities, while LP provides export documentation support and compliance management for U.S. and international shipments.

Q8. IS THIS ONLY FOR HUMANITARIAN AID?

No. While humanitarian and relief shipments are a priority, Rebuild Jamaica Logistics also supports commercial shipments related to construction, hospitality, and business recovery.

Q9. CAN YOU SUPPORT LARGE PROJECTS, SUCH AS HOTEL OR INFRASTRUCTURE REBUILDS?

Yes. Through the combined local logistics capabilities of KWL and LP's extensive global experience managing large FF&E and project cargo programs, including for major hospitality developments in Hawaii, Europe, and the Caribbean.

Q10. HOW LONG WILL REBUILD JAMAICA LOGISTICS OPERATE?

The program is open-ended and will continue for as long as Jamaica's rebuilding and recovery efforts require.
