

## Logistics Plus Moves Up the Ranks Among the Transport Topics 2026 Top 100 North American Logistics Companies

*Logistics Plus also ranked among the Top 50 Dry Storage Warehousing Firms and Freight Brokerage Firms.*

ERIE, PA (April 21, 2026) – Logistics Plus, Inc. (LP), a global leader in transportation, logistics, and unique supply chain solutions, is proud to announce that it has been named to the annual **Transport Topics Top 100 list of North America's largest logistics companies** based on gross revenue for the most recent 12-month period. [Logistics Plus moved up two positions in the rankings, for a second straight year, to the 78th spot.](#) It's the third straight year that Logistics Plus has been named to the list. Logistics Plus also ranked as the [32<sup>nd</sup>-largest dry storage warehousing firm](#) (no change from last year) and the [48<sup>th</sup>-largest freight brokerage firm](#) (up from 66th last year).

"TT's Top 100 Logistics Companies list ranks the largest 3PL providers in North America based on annual gross revenue generated by their logistics services, including freight brokerage, transportation management, freight forwarding, warehousing, and asset-based dedicated contract carriage," said Seth Clevenger, Managing Editor of Features and Multimedia at Transport Topics. "No. 78 Logistics Plus expanded its brokerage operations through its purchase of Chicago-based LoadDelivered Logistics in September."

"When we started in 1996, it was just a handful of people. No grand plan. No big investor. Just energy, ideas, and a belief that if we worked harder, cared more, and kept showing up, good things would happen. A true passion for excellence," said [Jim Berlin](#), Founder and CEO of Logistics Plus. "Now here we are, 30 years later, in a world that feels uncertain and complicated. Wars, elections, tariffs, supply chain disruptions. It's a lot. And yet, through all of it, this team keeps moving, keeps solving, keeps growing, and keeps finding a way or making one."
