

WHY GO DIRECT FOR WAREHOUSING?

Get more. Solve more. **Stress less.**

GO DIRECT WITH

VS

GO THROUGH A FREIGHT BROKER
OR WAREHOUSING RESELLER

Added middleman.
More gaps. More risk.

ONE PARTNER. END-TO-END SOLUTIONS.

Work directly with a warehouse operator who handles it all—storage, kitting, labor, transportation, and more.

DIRECT COMMUNICATION.

No middleman. Get answers faster from the people who do the work.

GREATER CONTROL & VISIBILITY.

Real-time visibility and direct access to your inventory and operations.

COST EFFICIENCY.

Eliminate broker markups and hidden fees. Get more value for your spend.

FLEXIBILITY & SCALABILITY.

Adapt quickly with a partner invested in your success—not just the next load.

A TRUE SUPPLY CHAIN PARTNER.

We're invested in your long-term success, not just the next transaction.

ADDED MIDDLEMAN.

Information and request pass through another layer, leading to delays and miscommunication.

SLOWER RESPONSE TIME.

Brokers add a layer of delay between you and the solution.

LIMITED VISIBILITY.

Less transparency and fewer tools to see what's really happening.

ADDED MARKUPS.

Brokers add their fee—costing you more for the same service.

LIMITED FLEXIBILITY.

Brokers may not have the assets or teams to adapt when you need it.

TRANSACTIONAL, NOT STRATEGIC.

Brokers move freight. We build solutions.

SOLUTIONS THAT DELIVER.
RELATIONSHIP THAT LASTS.
